

Join us to learn the basics about Young Living Essential Oils and Dogs

PetSavers, 980 Ridge Rd., Webster, NY (please bring your own chair!) Sunday, May 21 2 – 3:30

Some Basic Info:

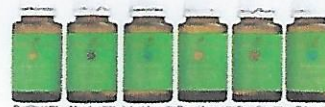

Most animals are more sensitive than humans to essential oils, so start by diluting heavily and use in moderation. Every animal is different, so carefully observe how each animal responds to the oils. Use common scents and good judgement when using oils.

Always check with your vet first if your dog is experiencing health challenges.
