Join us for a seminar that will teach you all about the conformation of the breed!

Steve Barbash and his wife Ann started Spotlight kennels in 1981 and have produced many champions of record. Steve showed as a junior handler, trained obedience, herding and worked his way up to becoming an AKC judge of the breed. Steve continues to educate others on breed structures and handling through handling classes sponsored by GVKC as well. Steve is a long time member of the German Shepherd Dog Club of Rochester, NY Inc. joining in 1992. Steve will discuss what the breed standard is and explain these areas on a live dog. Please do not bring your dog to this seminar.

There will be no charge for this seminar, however, we will be taking donations for Pet Supplies Plus charity of choice. Come have some fun and learn about the GSD!
